Kevin is a member of both Georgetown Twp. and Blendon Twp. Fire Departments. Kevin and his wife Amy live in Jenison with their three children ranging from ages 8 to 1 years old.

Kevin works at CB Greenhouses in Blendon, while Amy is a stay at home mother.

On Memorial Day weekend in 2014, Kevin was diagnosed with a brain tumor which ended up being cancerous. The doctors were able to remove the tumor however over the last month, a second surgery was required due to the reoccurrence of the cancer.

His treatment in Grand Rapids prior to the second surgery was radiation and chemotherapy. Kevin has recently been accepted as a candidate for an experimental treatment at Dana Farber Cancer Institute in Boston, Massachusetts. As expenses rise due to the travel and medical treatments, members of the Georgetown and Blendon Fire Departments have continued to organize fund raisers to help with these expected costs. All proceeds from the Kevin Sikkema golf outing will go directly to the family. Other fund raising opportunities are being planned. Please visit sikkemastrong.org for complete details on upcoming fund raisers.

On behalf of Georgetown Twp. and Blendon Twp. Fire Departments, thank you for your interest/participation in this golf outing.
